Daniel Eli McFall

APR 25, 1943 - DEC 15, 2024

Daniel Eli McFall was born on April 25, 1943, to Loyd and Florence McFall in Kokomo, Indiana.

“Danny” went to be with the Lord on December 15, 2024 in Lakeland, Florida.

He graduated from Kokomo High School where he grew up and also received a college degree in Aviation Mechanics.

Daniel was a pioneer in the modular home building industry, having worked for Cardinal Homes amongst many other contributions. In his later years, he enjoyed spending time with family and working on land and equipment.

Surviving are his wife, Brenda Lynn McFall, Osteen, Fl, and his stepson and stepdaughter, David Shane Adams, Lakeland, Fl, and Tammy Lynn Irwin, Jacksonville, Fl. He has six grandchildren and seven great grandchildren.

He is preceded in death by his son, Tony McFall, brothers, Max McFall, and Robert McFall, and sisters Rosy Jones, Waunita Jones, Judy Mandel, and Reba Hall.

Having a heart for the Lord in ministry and committing his life to the Lord on April 18, 1965, when he was twenty-two years old, Daniel would remind you of Matthew 5:16, “Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven”.

Pops was a wonderful grandpa of mine and a perfect example of living with pure joy. He lived a life dedicated to other people, a true reflection of the life of Jesus Christ. Pops always taught me to work hard and to cherish all the moments. I was so grateful to have been gifted the opportunity to be his grandchild and will cherish all the fun moments that he gave to me and my family. His last words to me were "be good now" which I will always remember. I am so happy you get to be with our Lord and Savior and I cannot wait to see you in Heaven one day. I love you pall ❤️

Dan, you were the most amazing stepdad a girl could ask for. You always treated me and David like we were your own and loved our children the same way. I have so many memories with you and they all make me smile, I'm going to miss you Pops! I am thankful for the time I had with you and our little adventures we took. I love you Pops ❤️

Dan was the most kind and generous man a gal could have as family. He was an amazing second father to my wonderful husband all around best Pops to his grandchildren. He never met a non-family member. He was always so kind, never having an ill thought or complaint. He was always on an adventure looking for treasure (be it gold or or junk, it was all the same). I'll miss our Pops dearly, remembering always his last charge to me "Be good, I love You". Back at ya Pops!

I was blessed to have Dan in my live over the last 35 years. As my stepfather and friend, we had many journeys and experiences that will never be forgotten. He was a true gentleman. Thank you Dan for loving my family and I. It was an honor of mine to be on the last leg of your life's journey with you. See you again someday in heaven where we will praise our Lord together. Love you buddy!David

He was best known to me as Pops! I have fond memories of spending summers growing up with pops and grandma. Pops would always take me along on his adventures where I would learn skills and wisdom about life. Pops was an incredible man and I was blessed to have his influence and impact in my life.

With you in Spirit Brenda, David and all the family. Danny and I shared our formative years together. Lots of adventures along Wildcat Creek, Highland Park, fishing and playing ball. We really loved each other.

It breaks my heart that Patty and I could not make it down to see Moms baby brother in his last days on earth. Rest in pease Dear Uncle as you are reunited with your Heavenly Family in the Kingdom of Our Lord and Savior. He will be missed. Our deepest sympathies to his family
