Hugh C. Cook posted:

You will be deeply missed Sis. Through the years so many things in our lives were touched by your sincere loving heart, your kindness and for me your guidance. You more than anyone else could turn anger and heartbreak into calmness. You weathered so many storms and always came out on the other side wiser and stronger. You were an inspiration and the best big sister ever. You were beautiful inside and outside. A day will not pass that I don't think about you. Love always and forever, your little brother.
