I was so saddened to hear of Richard's loss. He was such a positive person and is greatly missed. I knew Richard and Hilary through Roman who was friends with my grandson Carter. Richard and Hilary had just moved in across the street from me, and the boys were looking forward the playing together this summer. The pain and sorrow for his sons and wife is unfathomable, and I pray that God will watch over and bless the families he left behind.

My fav memory of you baby is when you became a father and daddy to Leo and when you made me a mother. Going to Disney with Leo and always taking blogging pics together. I love you so much also...taking Leo down on the sloapes. I love you forever and always.
