I remember Joshua as just a little guy. He was a happy little fella and I had the privilege of keeping him on certain occasions and sometimes picking him up from elementary school. He would chatter in the car all about his day and what he wanted to do when he grew up. He and Shelby were so much fun to be around and we loved them both. Our hearts go out to the whole family and we pray that when grief overwhelms them, God will replace it with a happy memory of Joshua Barnhill.

Joshua, Love, it's special, just like you were special. I started loving you the day your were born and will love you until the day I die. My special memory was you at preschool age going around sing Christian songs and you wanting to watch on VHS the original Gulliver's Travels, over and over and over. October 22, 2025 has been the low point of my life. May our Lord and Savior JESUS CHRIST take special care of you. Love and miss you, Grandpa Kelsay

Joshua, My first grandchild and only grandson. What precious memories I have of you growing up. My fondest memory is having all your Teenage Mutant Ninja Turtles Hanging from a lamp in our den. You would play with them for hours. Thank you for being a big part of my life and giving me 3 precious great grandsons. I will always have love in my heart for you and will miss you greatly. May you rest peacefully in the arms of our Lord and Savior, JESUS CHRIST. Love you, Grandma Kelsay
