## **Keith B. Smith**

FEB 5, 1967 - APR 9, 2026

### **K**eith B. Smith 2/5/1967-4/9/2026

It is with heavy hearts that we announce the passing of Keith Brian Smith — a man who brought light, laughter, and unforgettable energy into every room he entered.

Keith was truly one of a kind. Known as the life of the party, he had a way of making anyone and everyone smile, no matter the moment. His outgoing spirit, wild sense of humor, and genuine love for people made him someone you could never forget. More than anything, Keith had a heart of gold. He was the kind of person who would be there in a moment of need without hesitation — the kind who would give you the shirt off his back just to make sure you were okay. He was a hard worker, fiercely loyal, and deeply devoted to those he loved.

Keith was a proud family man — a beloved son, brother, cousin, nephew, and uncle — and a true friend to so many. His presence made every family gathering brighter, every conversation funnier, and every day a little better.

Though our hearts are broken, we are grateful for the countless memories, laughter, and love he gave so freely. The world feels a little less bright without him, but his spirit will live on in every smile, every story, and every life he touched.

I will always have memories of us in Ypsilanti when we cousins spent many a day being outdoors and playing like kids should. We were all close in age which only strengthened our bond. I'm truly sorry for his passing. Michelle (Smith)
