“ Bobby, Carrol and the rest of the Walker family. So sorry that I didn't know about her death I only just saw it one of the cousins or someone put it on Facebook today I guess I just saw it anyway I don't get on very often but anyway. But the last few days I've thought about her continuously and I kept saying you need to call her it's been a while and then I ran across her name today in my address book and I said I'm going to call her and I used to talk quite often then pandemic came in just things happen you know. But after Lynda passed I got really acquainted with her. I couldn't keel from loving her she was so sweet. no I didn't see her often and didn't speak to her to often. but she's going to be missed in my heart. She was a lovely lady. My prayers are with you all.
