“ To Donald my soul mate
The moment that you left me, my heart split in two. One side filled with memories, the other side died with you. I often lay awake at night when the world is fast asleep, and take a walk down memory lane with tears upon my check
Remembering you is easy I do it everyday; but missing you is a heartache that that never goes away. I hold you tightly within my heart and there you will remain. You see life has gone on without you, but it will never be the same

Love always and forever
Judy

“ I miss my dad so much. I knew this time would come but I could never have imagined the hurt. The pain is so deep. I'm thankful for the time I had with dad and I know that I will see him again one day! Thank you dad for always being there for me and for being the best dad ever! I will always Love you. Praise God that you can now breathe and walk without pain. Love you!
