“ Dearest Betty, David, Heather, & boys: My/our heart is full of memories! We were neighbors 30 years ago when we built next door o you! We adored you both right away. I was always surprised at the variety in your taste in music (you got me into Yanni)! Mom and I would watch our Shows together on tape. She was so funny and those were memories I shall always treasure. She raised a wonderful son, it seemed you chose a wonderful wife. Your boys are precious. I used to keep up with you with Heather's friend at the clinic (She had a baby, and is now a Radiology Tech.) I haven't seen her to ask of late. We are still in t he same place, where you were when you went to high school. It looks like your boys did too? or thru 8th grade Your family is beautiful and I know mom was proud. I saw first hand what a good son you were and carry that in your heart always. You are in our thoughts and prayers and as we ask God to guide you all with his strength in the days ahead. Love, Kathy & Bill Salisbury
