“ Our most heartfelt condolences to Jerry and his family. We met the Wheelers on a trip abroad and became friends instantly, due in great part to Melba's amazing elegance, kindness, and grace. I cannot recall another person who made such a great impression on us in such a short period of time... an amazing lady, whom we shall always remember with warmth in our hearts.

“ So many cherished memories together. After my mom, Lois Wheeler passed - it was truly Aunt Melba who helped to fill that void . Anyone who met her - remembered her. Whether it was that huge gravitating smile or that precious very articulate southern accent - you would leave remembering what a lady - what a true southern belle. We were all blessed to have known her- and especially blessed allowing us to be a part of her life. My memories will always be the Mother’s Day - Birthday outings and the lovely times I would take her to her Antique Club luncheons. Aunt Melba had so many lovely friends. For sure at the top of the pecking order were her two handsome grandsons- Caleb and Joshua. Oh how proud she was of the two of them . Aunt Melba was a blessing to so many people , however ; she was also blessed having a devoted husband to took care of her in her final days and truly loved her so- two precious daughters Gena and Jerolyn who were such a support and strength to not only their mom but by their dad’s side during her decline. Aunt Melba will be missed - however ; the smiles that she brought to our hearts- will be cherished forever.
