“ Roscoe is my brother through new birth in Christ. We have shared so much of life over the last 35 years, first through our church fellowship, as friends and supporters of Florida Baptist Children's Homes, as wise council in matters Spiritual and material, and as dear friends with him and Virginia. If you want a picture of a genuine Christian through faith and works, look no further. When Roscoe saw a need he used his resources to meet the need. If that was insufficient, he found the additional resource to meet the need.

Roscoe and Virginia enjoyed the mountains of North Carolina and we enjoyed time spent there as well and were blessed by their friends becoming our friends.

We enjoyed so much playing board games together. His was a studied approach... and most often came out as a winner! I will miss my brother in Christ. See you at the house!
