“ R.I.P Aunt Shirley

I remember when I believe it was my first cell phone I had gotten and I had accidentally called you in the middle of the night. I didn't find out about it until the next day. I also remember going to your house and making peanut butter balls and even chocolate dipped pretzels/crackers. Those were my favorite memories and I'm going to miss doing that. I'm really going to miss you. Say hi to grandpa for me

“ Dear sister I will forever remember our years together and always love you I'll still wonder what you are doing and want to reach out and call, so I'll just have to look at sky and whisper to you instead. I'm sure I'll still pick things out at the store thinking about you and even put a few in the buggy before thinking. I'll never have anyone shop at my house like you did 🥺 Lord I'm going to miss my beautiful soul sister so you take care of her for me. Until we see each other again xoxo remember Dance and I'll dance with you.

“ Such a kind and loving person. We set together in Sunday school class many times and she always had a smile and a kind word for everyone. She will be so missed R.I.P. our friend Shirley
